

Department of Pathology Clerkship Application

1. Which clerkship course are you applying for: **302A** or **398A**?
2. What are your goals for this clerkship?
3. During which period would you like to visit Stanford? Please follow the link to view period dates. <https://med.stanford.edu/clerkships/calendar.html> Note: Due to incoming residents/fellows, some rotations may not be available during period 1.
4. Visiting students: the clerkship office participates in the SCORE program, a diversity promotion program run by the Stanford Clerkship Office that provides other support during your rotation. Please note that if you are a minority, you may qualify. Please see the following for further details: <https://med.stanford.edu/clerkships/score-program.html>
5. Please list which rotations you are interested in for your 4-week visit from the list below.

We offer the following rotations:

Anatomic Pathology (AP) services

- Breast Pathology
- Cardiothoracic/ENT (ear, nose, throat)
- Gynecologic Pathology
- Gastrointestinal Pathology
- Pediatric Pathology
- Bone/soft tissue
- Genitourinary Pathology
- Renal Pathology
- Cytopathology

- Neuropathology
- Autopsy
- Intra-operative consultations (Frozens)

Clinical Pathology (CP) services

- Hematopathology
- Transfusion Medicine
- Chemistry/Immunology
- Biochemical Genetics
- Cytogenetics
- Microbiology/Virology
- Molecular Diagnostics

For PATH 302A:

If you are selecting AP services only, please email this application to AP clerkship coordinator, Markell Stine (markell@stanford.edu).

If you are selecting CP services only, please email this application to CP clerkship coordinator, Gabby Barela (gbarela@stanford.edu).

If you are selecting a combination of both, please email both Markell and Gabby.

For PATH 398A:

Please email this application to Gabby Barela (gbarela@stanford.edu).
