

By Saying “Black Lives Matter” ...

IT IS NOT...

- ...A statement supporting the BLM organization
- ...A statement of politics
- ...A statement of partisanship

IT IS ...

- ...A statement of VALUE and Commitment
- ...Value of the wellbeing and just treatment of our Black Employees
- ...A commitment to equitable treatment of our Black patients
- ...A commitment to fight systemic racism inside and outside Stanford
- ...A commitment to eliminate health disparities

...You are saying we see you and we value your life and your well being. Black Lives Matter says, we care about you, you belong here, we want you to be here and we want you to thrive here, and we will work together to eradicate systems of racial injustice, unfairness and inequity. ~ David D. Jones, SHC Chief Human Resources Officer
